Dear Mr. Ceurvels:

Congratulations! This award represents a significant achievement and reflects your commitment to transparency and high-quality financial reporting.

The Certificate of Excellence (COE) Review Team has provided their comments for the improvement of your Comprehensive Annual Financial Report (CAFR). It is important to review the comments and address them before you prepare next year's CAFR. Your district must include a copy of the original comments and the district's written responses to the comments in next year's application packet.

We hope you will use the attached press release to share this important achievement with your community. Your award certificate is also attached.

Congratulations to you and the members of your staff who worked so hard to earn the COE this year. We look forward to your continued participation in the COE program.

Sincerely,

**School District Awarded for Outstanding Financial Reporting**

Reston, VA – 2017 – The Association of School Business Officials International (ASBO) is pleased to award Ramapo Indian Hills Regional High School District with the Certificate of Excellence in Financial Reporting (COE). ASBO International’s COE recognizes districts that have met the program’s high standards for financial reporting and accountability. The school district earned the Certificate of Excellence for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended 2017.

“The COE’s mission is to promote and recognize excellence in financial reporting, specifically through a district’s CAFR,” ASBO International Executive Director John Musso says. “The CAFR informs parents and other stakeholders about the financial and economic state of the district, making it an important communications tool for building trust and engaging with the school community.”

By participating in the COE program, school districts demonstrate their commitment to financial transparency. Applicants submit their CAFR for review by a team of professional auditors, who provide feedback to improve future documents. If the CAFR meets the requirements of the program, the document may receive the Certificate of Excellence. A district’s participation in the COE program can facilitate bond rating and continuing bond disclosure processes.

The COE is proudly sponsored by ASBO International Strategic Partner VALIC, a division of the American International Group, Inc. (AIG). Learn more about ASBO’s COE program at [asbointl.org/COE](http://asbointl.org/COE).
