Ramapo Indian Hills Regional H.S. District

Indian Hills Full Remote Instruction

Good afternoon Indian Hills Community,

This is an update on the outcome of the current quarantine status at Indian Hills High School.

Based on the latest numbers of positive COVID-19 cases we currently have approximately, 50 students out based on quarantine for close contact. In addition, 41 staff members have also been asked to quarantine with 31 of these staff members being teachers in the school.

This unfortunately does create a situation where students would be placed in larger settings with combined classes in one location. I along with our administration are not comfortable creating large learning cohorts within the school which could possibly create additional problems and creating an opportunity for additional illness and quarantines of staff and students.

To alleviate a potential spread and additional quarantine we have decided to have a voluntary switch to all virtual instruction beginning tomorrow Monday March 29th through Thursday April 1st. All students and staff will return to school on Monday April 12th after spring break. Students who participate in fulltime virtual instruction will just continue to follow their regular schedule with no changes.

Since this is a voluntary switch to virtual instruction due to staffing concerns all athletic programs and clubs will continue as communicated by your child's coaching staff.

We apologize for any inconvenience however, we are trying again to minimize both the spread of COVID-19 and minimize the number of students and staff who would be quarantined.

We all continue to wish for better days and a return to a normal educational environment.

Sincerely,

Mr. Anthony Riscica

Interim Superintendent Ramapo/Indian Hills Regional School District
