Indian Hills Temporary Switch to Remote Instruction

March 7, 2021

Dear Parents/Guardians:

This letter is to inform you that earlier this evening Indian Hills High School Administration was made aware that an individual who attended in-person instruction on Wednesday and Thursday of last week, utilized district transportation, as well as participating in an extracurricular activity, has tested positive for Coronavirus Disease 2019 (COVID-19).

In order to allow ample time for our pandemic response team to conduct a thorough contact tracing investigation to identify those students and staff that may need to quarantine, **Indian Hills High School will need to cancel in-person instruction and switch to an all remote schedule for tomorrow, Monday, March 8th.** We will be following our previously posted class sequence and time schedule that is posted on our district and school website.

At this time we have every intention of resuming our hybrid schedule on Tuesday, March 9th. Afternoon and evenings extracurricular activities will continue as planned. If there is a need to pause tomorrow's after school activities, we will be sure to notify you.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant and sensible in your approach to dealing with COVID-19. Should you have any questions about this situation, please feel free to contact your building administrators or your child's class administrator.

Sincerely,

Dr. Greg Vacca, Principal
